**IRAQ WAR:
CUMULATIVE COSTS 2003 – 2018
\$1.4 Trillion**

Total Iraq war costs from 2003 through 2008 are \$599.8 billion (according to Congressional Research Service).

War costs for FY 2009 to FY 2018 are derived from estimates made by the federal government's Government Accountability Office (GAO) if total troop levels in Iraq and Afghanistan are reduced to 75,000 by the year October of 2012. The war costs for Iraq have consistently accounted for 75% of the spending on the Iraq – Afghanistan wars.
