

**Targeting a
school bus is **not** a
“legitimate military
operation.”**

**34 children in Yemen
were on a school field trip.**

On Aug 9th, a Saudi-coalition warplane targeted their bus and killed them. The 500-lb bomb was supplied by the **United States**. This 3-yr, U.S.-backed war helps drive the world's worst famine.

Contact your Senators and Reps

Congressional Switchboard: 202-224-3121

Demand that they publicly oppose further U.S. participation in and arms sales for the ongoing Yemen massacre, and support bills like **H.Con.Res.138** reasserting congressional war powers.
